BRIEF HISTORY OF THE ORGANIZATION :-

Azad Shiksha Kendra (here in after ASK)is registered under Indian Trust act 1882. The organization was established on 04-04-2001. A community of Doctors, advocates and social activists experienced the speedy growing evils of untouchability ,social discriminations, religious differences and unemployment in the district. The united as a front against these evils and Azad Shiksha Kendra came into existence. From the very first day of inception, the organization put his concreted efforts to provide justice and development to the Dalits and minorities. Also towards the leadership development in the community, the organization is active in field. ASK is always attentive and aggressive towards the issues related to marginalized and weaker section of the society.

VISION OF THE TRUST - There is only the vision of the trust to establish a self reliant, fearless and unite society.

MISSION OF THE TRUST

Trust has a mission to raise the Dalits and minorities at a standard social level, aware, and self reliant.

The following activities have been done this year under the leadership of Managing Trusty Mr Nisar Ahmad Khan :

EDUCATION PROGRAMME THE TR

Education is unique weapon of Marginalized community whose voice is never harmed by dominate class lack of quality education institutions is a series issue in this and ASK has extent and following are the Educational efforts for marginalized communities blockShahganj and Khuthan. In 25 village intervention of the MIP Education Program. MIP Education Program by ASK for improved teachers and children Quality in Maktab/Madrasa and Madrasa Management Committee as well as student also some innovative ideas and technology. Some of the constraints that come in the way while we have conducted a study on Status of quality education in Muslim Community at Shahganj and Khuthanblock. The education oftheseinstitutions wasnot qualitativeneithercommunitysatisfied in Muslim lack of residential facilities and low pace and accessibility to schooling system. In such conditions ASK since its inception focused on provision of residential and a proper environment so as to promote the child development. In this program we are providing retained practices by following an appropriate course CSSL Child evaluation curriculum, child centric teaching,Demo class, Teacher Meeting, conductive class, cultural development and constant parent involvement in the program from time to time. Through MIP the Organization have provided teachers training with effective teaching methods, in order the teachers could able to teach to the children effectively and innovatively. Now slowly and slowly they are able in teaching to the children. The teachers put their opinion in meeting and solve their problems through discussion and learning Sharing.The following table outline the achievement of the MIP by ASK in two blocks Shahganj and Khuthan.
